Local communities and groups of citizens from municipalities Bratunac, Lopare, Čelić and Sapna started 12 initiatives with the aim to solve problems of discrimination, disrespect of socio – economical rights of minority returnees and xenophobia, the realization of which lasted from May to October 2007.

Municipality Bratunac: aiming at reintegration and increase of conditions for sustainability of return, five initiatives have been realized in Municipality Bratunac:

- Campaign to increase the possibility of regular informing and active participation of citizens in local community Konjević Polje
- Campaign to create conditions for healthier and higher-quality life of minority returnees in local community Repovac
- Campaign to increase the possibility of regular informing and active participation of citizens in local community Glogova
- Campaign to restore school playground in order to improve conditions for more active life of children of minority returnees in local community Voljevica
- Joined initiative "Reconstruction of the park in the school yard" with the aim to improve the quality of social life of citizens in local community Konjević Polje

Municipality Čelić:

- Joined initiative of local communities Šibošnica, Drijenča, Miladići, Visori, Nahvioci, Humci and Piperi to create conditions for a higher quality of sports life of the young minority returnees
- Campaign to increase the number of young people in sports club with the aim to achieve higher quality of reintegration and sustainable youth return in local communities of minority returnees Šibošnica, Drijenča, Miladići, Visori, Nahvioci, Humci and Piperi

Municipality Sapna:

- Campaign to light up the area in front of the local community Rastošnica and to create conditions for more frequent socialization of minority returnees and reintegration

- Joined initiative of local communities Rastošnica and Skakovica to improve citizens' informing and their active use of the program for development and sustainability of minority return
- Campaign to renovate and equip football playground in local community Baljkovica so as to revitalize sports and cultural activities of minority returnees.

Municipality Lopare:

- Campaign to improve living conditions and create healthier surrounding for minority returnees in local community Koraj
- Joined initiative "Support for sustainable return in local community Koraj through improvement of agricultural conditions"

Campaigns have led to concrete results in solving socio – economical problems of returnees in municipalities Bratunac, Lopare, Čelić and Sapna:

- In LC Konjević Polje municipality Bratunac, premises of the LC have been restored, a higher- quality mechanism of cooperation between citizens, municipality representatives, groups of citizens and local radio station has been established, and the work of the local community has reached higher quality.
- In cooperation with nongovernmental organization Jadar, LC Konjević Polje municipality Bratunac has renovated the school yard park ensuring conditions for better quality of socialization among the youth.
- Bringing Decision for regular garbage disposal, conditions for the healthier life of citizens have been created in LC Repovac.
- Renovation of the premise in LC Glogova has strengthened citizens' voluntary work, brought conditions for regular meeting holding and established permanent cooperation mechanism among citizens, municipality representatives and local radio station.
- In LC Voljevica municipality Bratunac, reconstruction of school yard and putting up goals and baskets has improved the conditions for more active life of the children, which directly affects return sustainability.
- In LC Šibonica municipality Čelić, equipping the sports playground has brought the advancement of sports and social life of the young, which contributes to stopping the process of young people's abandoning this and surrounding local communities.
- In LC Nahvioci municipality Čelić, conditions for the work of sports club have been created, as well as establishment of the mechanism for continuing organization of trainings and competitions for the youth from several local communities.
- In LC Rastošnica, putting up street lights in front of the LC has furthered conditions for moving and gathering of the returnees.
- In LC Rastošnica and Skakovica municipality Sapna, putting up notice – board at the entrance of local community, and supplying office equipment (printing machine and typewriter) has ensured a higher quality of informing and regular access to information about development programs.
- In LC Baljkovica municipality Sapna, restoration of sports field has brought about conditions for revival of sports and cultural multi ethnic activities of the youth.
- In LC Koraj municipality Lopare, the campaign has resulted in efficient mechanism of garbage disposal on this area and elimination of illegal waste areas.
- LC Koraj has been economically strengthened with the establishment of data base of agricultural manufacturers on this area.
